Ask BASAL anything

Your money questions, answered in plain English

e.g. What can I safely spend this week?

Ask →

What can I afford?

Can I save this week?

Any bills coming up?

Total balance

\$17,260

▲ 2.4% vs last month

Lowest point ahead

\$896

around Jul 7

Safe to spend

\$0

essentials only until payday, Jul 8

B

Your co-pilot

• Watching your accounts

Here's what I'd do next, Chioma. Each one is a single tap — and you can always undo it.

• CASH FLOW

Move \$200 into savings today

Your forecast shows extra cash through mid-July. Moving it now keeps your buffer healthy and earns interest.

Transfer \$200

Not now

• BILLS

Schedule your \$540 card payment

Due Jul 6. Pay from checking on the 5th to avoid a late fee and stay above your buffer.

Schedule it

Not now

• SAVINGS

You have a duplicate subscription

You pay for two music services (\$20/mo). Cancelling one saves about \$240 a year.
